

Long Bay Primary School

February 2018

Dear Parents/Caregivers

Activities Charge \$70.00

At Long Bay Primary School we charge a **\$70.00 activity charge**. This charge covers school activities that enhance the classroom programmes. Examples of activities experienced by the children in 2017 include, trips to the Zoo, Auckland Museum, Corbans Art Centre, Stardome and The Roadshow. Other activities included access to the Athletics website (at home and school), writing workshops, science activities and more.

Although these activities are not compulsory they are programmes selected by the teaching staff to enhance the learning experiences for your child/ren. As involvement in these activities is voluntary, alternative programmes will be provided for children whose parents have elected not to make payment.

All new students who arrive during the school year and wish to participate with these activities will receive a notice and the adjustment in price to reflect the remaining amount due.

Please indicate whether your child/children will be taking part in the extra activities offered by ticking the box below and returning this to the school office.

Yours Sincerely

Linda Barton
Principal
