

Long Bay Primary School
WHOLE CHILD EDUCATION

Our School Mission statement is:

To inspire students to be confident, connected, actively involved lifelong learners through high quality whole child education

Our Vision, through the provision of quality education, is to enable each child to:

- 1. Be an active participant in their own learning; being prepared to seek and take on challenges, explain their thinking, reflect on and evaluate their own and others ideas*
- 2. Value excellence by celebrating their own and others successes*
- 3. Communicate effectively, reach their potential and be literate and numerate across the curriculum*
- 4. Be a creative and critical thinker who can question, source and apply ideas*
- 5. Develop an awareness of their role in the wider community, an appreciation of diversity, and a caring attitude for others and the environment*
- 6. Be a responsible and connected citizen who is accountable for their own actions, and has the skills to maintain positive relationships*
- 7. Display resilience, coping skills and a positive self esteem*
- 8. Demonstrate their understanding of healthy practices and develop motor skills*
