

School Lunches (ezlunch), Sports, Swimming, Waterwise,

PTA Fundraising and

Extra-Curricular Charges for 2018

Registration and payment for the above lunches and activities must be made via the LBP Shop, via the school website. To register simply go to the Long Bay Primary School website www.longbayprimary.ac.nz and select **LBP Shop**.

- **If you have an account already** (through ezlunch or another Kindo school eg Northcross Intermediate), log in as normal. You may be asked to add your **student details** if this is your first time shopping for Long Bay School.
- **If you do not have an account** you'll need to register (your details and your students) – simply follow the prompts. ALL of your children can be added to one account – just “add another member”.
- **At the beginning of each new year** – The first time you login in to purchase you will be prompted to add your child's new class room number by choosing in the drop down menu.

Once you have registered you will be able to click on the activity you wish to purchase. Please visit regularly to see any new activities as they become available.

When you select an activity, you may be asked to complete some questions and make payment – no paper forms are required. **Payment must be made at the time of registration.** Click “Place Order” to complete the transaction and check your email receipt.
