

Long Bay Primary School

Stationery for 2017

Dear Parents/ Caregivers

The stationery required for 2017 is detailed overleaf. To ensure you purchase the correct stationery please check the class room number given for your child's 2017 class placement carefully.

This year all children are required to have a book bag. If you have a book bag from the previous year this will be fine. Although we keep a small stock of stationery items for emergency purchase through the year, we know that parents appreciate the opportunity to take advantage of the competitive pricing offered by local stationery companies.

In addition this year as an option, Long Bay Primary have teamed up with OfficeMax and have organised to have our Back to School stationery for each class loaded on to myschool.co.nz for you to purchase. If you wish, search for our school, select your child's class room number and follow the instructions on the website.

The OfficeMax MySchool benefits for you are:

- Free delivery for orders over \$57.50 incl. GST
- Save valuable holiday time and avoid busy shopping malls and shop online from the comfort of home
- Delivery that suits - you can choose delivery to your home or workplace and receive your order during the holidays
- Your child will start school with the correct stationery.
- Payment options - choose to pay with your credit/debit card, internet banking (with DPS secure payment)

Buying through OfficeMax MySchool can also earn our school Rewards which we can redeem for much needed educational supplies or equipment for our classrooms.

Please check the delivery windows at myschool.co.nz to ensure you place your order in time to receive before school starts back on the 31st January 2017.

Please note this is only an option, if you wish you can purchase the correct stationery as detailed overleaf from any stationery store.

Yours sincerely

Administration Team
