

# Long Bay Primary School

## Tikanga Maori Policy

NAG 1

Long Bay Primary School  
WHOLE CHILD EDUCATION

### Rationale

Students throughout the school need to develop knowledge of Maori language and culture. This development will be assisted by providing direct and indirect experiences in the school and other places as appropriate.

### Purpose

1. To increase awareness and appreciation of different cultures, specifically Maori.
2. To enhance student understanding of the culture of New Zealand.
3. To introduce aspects of Te Reo and Marae Protocol.
4. To assist in the development of a positive sense of well-being of Maori students.
5. To ensure that practices adopted in the school reflect the spirit of the Treaty of Waitangi; partnership and sharing.

### Guidelines

1. Aspects of Taha Maori will be incorporated across the curriculum learning programmes.
2. Te reo Maori will be evident within the class programme, both as structured language lessons and incorporation into everyday class learning. e.g. learning songs, basic commands
3. Participation with appropriate resource people within the community will be encouraged.
4. Maori language and tikanga will be celebrated e.g. Maori language week, Matariki festival, school kapahaka group performance.
5. Teachers will be supported with professional development and resources to ensure they feel confident with teaching basic te reo Maori and incorporating tikanga within their programme.
6. Programmes will encourage respect for the diverse ethnic and cultural heritage of New Zealand, with acknowledgement of the unique place of Maori people within our culture.

### Summary

Taha Maori is not a subject in the traditional sense. It is an attitude and commitment to cultural awareness and sensitivity and it should pervade the whole school curriculum and the daily work of the school.

### Approval

When the Board approved this Policy it agreed that no variations of this Policy or amendments to it can be made except with approval of the Board. A copy of this policy is to be included in the School Policy Manual, a copy of which shall be available to all staff, and to parents and students at their request.
